

Our Call from the Future

Congregational Chapter 2023

***We come as pilgrims
present to one another and our world,
knowing that the unknown road
can be trusted and embraced.***

***We come broken and whole,
listening deeply through prayer and presence,
as we continue to be change-makers.***

***We come with compassionate hearts and urgency
to care for our Common Home.***

***We empower one another to be authentic,
courageous and hope-filled.***

Let Love Lead
